Nesting Dolls

Circa Survive

You shouldnâ€™t stay
Weâ€™ll never change
And I canâ€™t recognize you at all

Nothingâ€™s the same
Its all been arranged in a way
Keeping me out of it

I dont want to feel like this
Ever, ever, ever, ever, ever, again

When we were young
And everythingâ€™s magical
Then it all disappeared

I wasnâ€™t sure,
but you were persistant and
I was so drawn to it.

I donâ€™t want to feel like this
Ever, ever, ever, ever, ever again

You shouldnâ€™t stay
Weâ€™ll never change
And I canâ€™t recognize you at all
