In a Parade

Paul Simon

IN A PARADE LYRICS
Some nights the ER is quiet as an EKG
But tonight it feels like every broken bone
Tonight it feels like every wounded soul
Is filling out a form or on the 'phoneI can't talk now, I'm in a parade
I can't talk now, I'm in a parade
Can't talk to you now, I'm in a parade
I can't talk now, I'm in a parade
Diagnosis: schizophrenic
Prognosis: guarded
Medication: Seroquel
Occupation: Street AngelI drank some orange soda
Then I drank some grape
I wear a hoodie now to over my mistake
My head's a lollipop
My head is a lollipop
My head's a lollipop and everyone wants to lick it
I wear a hoodie now so I won't get a ticket
I write my verse for the universe
That's who I amI can't talk now, I'm in a parade
I can't talk now, I'm in a parade
I can't talk now, I'm in a parade
Can't talk to you now, I'm in a parade
Diagnosis: schizophrenic
Prognosis: guarded
Medication: Seroquel
Occupation: Street Angel
