

# The Tin Man (New Version)

[Kenny Chesney](#)

Saw a man in the movies that didn't have a heart  
How I wish I could give him mine  
Then I wouldn't have to feel, it breaking all apart  
And this emptiness inside would suit me fine

It's times like these, I wish I were the Tin Man  
You could hurt me all you wanted and I'd never even know  
I'd give anything just to be the Tin Man  
And I wouldn't have a heart and I wouldn't need a soul

I couldn't see your leavin', comin' you took me by surprise  
Even now it still seems like a dream  
But I know I can't be dreamin' 'cause as I lay down each night  
The pain so great that it won't let me sleep

It's times like these, I wish I were the Tin Man  
You could hurt me all you wanted and I'd never even know  
I'd give anything just to be the Tin Man  
And I wouldn't have a heart and I wouldn't need a soul

Well I'd give anything just to be the Tin Man  
And I wouldn't have a heart and I wouldn't miss you so
