

Try a Little Harder

[Santana](#)

[Chorus]

Try a little harder now

Try a little harder now

Try a little harder now

Try a little harder now No one ever said it would be easy

Doin' whatever you do

You just might have to suffer

But keep on movin' right through

You've got to [Chorus] Sometimes you have to change your tune

To get where you want to be

But don't you let that satisfy you

You can have all you see
