Cast Your Fate To The Wind

Nelson Rangell

A month of nights, a year of days
Octobers drifting into Mays
I set my sail when the tide comes in
I just cast my fate to the wind

I shift my course along the breeze
Won't sail upwind on memories
The empty sky is my best friend
I just cast my fate to the wind

A month of nights, a year of days
Octobers drifting into Mays
I set my sail when the tide comes in
I just cast my fate to the wind
