

# Lord of the Harvest

**Fred Hammond**

Put your hands together  
You're Lord of the Harvest  
And we worship You  
We worship You this day  
You're Lord of the Harvest  
And we worship You  
Let me hear the people of God say You're Lord of the Harvest  
And we worship You  
We worship You this day  
You're Lord of the Harvest  
And we worship You  
We worship You Eternal Lord remains the same age to age  
All our love, all our praise, night and day  
With this song and our lives, now we prove  
There's no one to take Your place  
Lord You rule, we come to worship You You're Lord of the Harvest  
And we worship You  
We worship You this day  
You're Lord of the Harvest  
And we worship You  
We worship You Eternal Lord remains the same age to age  
All our love, all our praise, night and day  
With this song and our lives, now we prove  
There's no one to take Your place  
Lord You rule, we come to worship You Put your hands together  
You're Lord of the Harvest  
And we worship You  
We worship You this day You're Lord of the harvest  
And we worship You  
We worship You this day  
You're Lord of the harvest  
And we worship You  
We worship You this day You are my Daily, Daily Bread
