

Weird Science

Oingo Boingo

From my heart and from my hand and
Why don't people understand my intention?Weird
Weird sciencePlastic tubes and pots and pans
Bits and pieces and the
Magic from the hand
Were makin weird scienceThings Ive never seen before
Behind bolted doors
Talent and imagination
Weird scienceNot what teacher said to do
Makin dreams come true
Living tissue, warm flesh
Weird sciencePlastic tubes and pots and pans
Bits and pieces and
Bits and pieces andBits of my creation, is it real?
Its my creation, oo my creation
Its my creationWeird science
Weird
Weird scienceMagic and technology
Voodoo dolls and chants
Electricity
Were makin weird scienceFantasy and microchips
Shooting from the hip
Something different
Were makin weird sciencePictures from a magazine
Diagrams and charts
Mending broken hearts
And makin weird scienceSomething like a recipe
Bits and pieces and
Bits and pieces andBits of my creation, is it real?
Its my creation, I do not know
No hesitation, no heart of gold
Just flesh and blood, I do not know
I do not knowFrom my heart and from my hand and
Why don't people understand my intentions?Weird science
Magic and technology
Voodoo dolls and chants
Weird scienceThings Ive never seen before
Behind bolted doors
Weird scienceNot what teacher said to do

Bits and pieces and
Bits and pieces and Bits of my creation, is it real?
Its my creation, I do not know
No hesitation, no heart of gold
Just flesh and blood, I do not know
Its my creation
Its my creation
Its my creation From my heart and from my hand and
Why don't people understand my intentions? Weird
Weird science
Weird
Weird science
Weird science Bits and pieces
Science
