Weird Science

Oingo Boingo

From my heart and from my hand and
Why don't people understand my intention?Weird
Weird sciencePlastic tubes and pots and pans
Bits and pieces and the

Magic from the hand

Were makin weird scienceThings Ive never seen before

Behind bolted doors

Talent and imagination

Weird scienceNot what teacher said to do

Makin dreams come true

Living tissue, warm flesh

Weird sciencePlastic tubes and pots and pans

Bits and pieces and

Bits and pieces and Bits of my creation, is it real?

Its my creation, oo my creation

Its my creationWeird science

Weird

Weird scienceMagic and technology

Voodoo dolls and chants

Electricity

Were makin weird scienceFantasy and microchips

Shooting from the hip

Something different

Were makin weird sciencePictures from a magazine

Diagrams and charts

Mending broken hearts

And makin weird scienceSomething like a recipe

Bits and pieces and

Bits and pieces and Bits of my creation, is it real?

Its my creation, I do not know

No hesitation, no heart of gold

Just flesh and blood, I do not know

I do not knowFrom my heart and from my hand and

Why don't people understand my intentions? Weird science

Magic and technology

Voodoo dolls and chants

Weird scienceThings Ive never seen before

Behind bolted doors

Weird scienceNot what teacher said to do

Bits and pieces and
Bits and pieces andBits of my creation, is it real?
Its my creation, I do not know
No hesitation, no heart of gold
Just flesh and blood, I do not know
Its my creation
Its my creation
Its my creation
Its my creation
Why don't people understand my intentions?Weird
