Depths of Hell

Fire & Flesh

"Depths of Hell"Carry me into the depths of hell
Where I can find fate that mocks me from an open grave
Call upon the fallen angels
Challenge them to a game of fateGo forth
Out from the shadows
Aim high just like the archer
Carry me to meet my destiny
Treasures lie ahead!
Beyond the path you seek...All my desires are all that I have
I wouldn't change a thing
I'm just moving forward with the plan...
Wisdom comes from pain
When I'm falling down I'm cushioned by my faith
When winning by an inch
But losing everything
It gives me reason to push through the ashes of time
God, please save a seat for me...Taking ahold of this world by the neck without thinking twice
My heart feels so divine!
OH.
Just like a river, time flows!
But not as slow....It goes so fast
You can barely catch your breath in time
It goes so fast, like a burning match
Or a dreamless night
Am I dreaming??
Am I dreaming??
