

Christmas At My House

Jessie Farrell

I'm not wearing that Christmas sweater
I won't get drunk to feel better
Stuck in the kitchen, baking for days
Oh no I'm not gonna feel obligated
To do anything that I hate
With a smile on my face
I'm not like that You've got the right house, if all of the lights are burned out
Kick off your shoes, leave all your worries
You can sleep on my couch
I won't mind Christmas at my house is all about love
Christmas at my house
You can't get enough
Christmas with my friends is all about cheer
Stop trying to make it perfect
'Cause perfect ain't worth it
This Christmas make it all about love
All about love I'm not gonna be fighting in-laws
I'm not going to be sweating bullets, shopping for presents
That nobody likes
Oh no I can't wait to get mistletoe kisses
Don't care about those dishes
I wanna make snow angels
Under the stars tonight You've got the right house, if you see the lights are burned out
Kick off your shoes, leave all your worries
You can sleep on my couch
I won't mind
Christmas at my house is all about love
Christmas at my house
You can't get enough
Christmas with my friends is all about cheer Stop trying to make it perfect
'Cause perfect ain't worth it
This Christmas make it all about love
All about love Christmas at my house is all about love
Christmas at my house
You can't get enough
Christmas with my friends is all about cheer Stop trying to make it perfect
Perfect ain't worth it
This Christmas make it all about
Love It's all about

It's all about love

It's all about love

Mmm mm
