

# Ocean Drive (Andrew Krivushkin Remix)

## Duke Dumont

We're riding down the boulevard  
We're riding into the dark night, night  
With half the tank and empty heart  
Pretending we're in love, when it's never enough  
As the silence filled the lonely air  
Oh, they can hear now now now baby  
We see a storm is closing in,  
Pretending we're escaping  
Don't say a word while we danced with the devil  
You brought the fire to a world so cold  
We're out of time on the highway to never  
Hold on (hold on), hold on (hold on)  
Don't say a word while we danced with the devil  
You brought the fire to a world so cold  
We're out of time on the highway to never  
Hold on (hold on), hold on (hold on)  
We're running all the red lights down  
No way that we can stop, no no  
A quarter tank is almost gone,  
Pretending we're in love, when it's never enough  
I wish we could take it back in time  
Before we crossed the line, no now now, baby  
We see a storm is closing in  
I reach out for your hand  
Don't say a word while we danced with the devil  
You brought the fire to a world so cold  
We're out of time on the highway to never  
Hold on (hold on), hold on (hold on)  
Don't say a word while we danced with the devil  
You brought the fire to a world so cold  
We're out of time on the highway to never  
Hold on (hold on), hold on (hold on)  
Oh oh, hold on, oh yeah, hold on  
Don't say a word while we danced with  
the devil  
You brought the fire to a world so cold  
We're out of time on the highway to never  
Hold on (hold on), hold on (hold on), hold on  
Don't say a word while we danced with the devil  
You brought the fire to a world so cold  
We're out of time on the highway to never  
Hold on (hold on), hold on (hold on)
