

# Teenage Overdose

## Loverboy

Lookin' for a teenage, lookin' for a teenage overdose  
Lookin' for a good time, ready for a bad time  
Comin' so close  
Lookin' for a teenage, lookin' for a teenage comatose  
If your lookin' for some rock'n'roll, lookin' for some rock'n'roll  
I'll give you a dose  
One foot in hell  
One foot in hell... and you know the others got to be  
Walking with the devil an settin' him free  
One foot in hell... and you know the others gonna to show  
It's always you that's the last to know  
One foot in hell  
I got one foot over the line and your close behind  
I got one foot over the line and your close behind  
Your lookin' for a cover, don't wanna tell your mother  
  
I know your out there you're an underground-lover  
One foot in hell... and you know, the others gonna to go  
For you and me at the end of the show  
One foot in hell (Hey!!)  
I got one foot over the line and your close behind  
I got one foot over the line and your close behind (Oh)  
Lookin' for a teenage, lookin' for a teenage overdose  
Lookin' for a good time, ready for a bad time; comin' so close  
If your lookin' for some rock'n'roll, lookin' for some rock'n'roll  
I'll give you a dose  
One foot in hell  
One foot in hell (ah-ell)  
One foot in he\_\_ll
