

# You Alone Are Worthy

Eben

You alone are worthy of all the glory  
You alone are worthy of all the praise  
You alone are worthy of all the honor  
Bless Your holy name

I will bless Your holy name  
I will praise You just the same  
For all the things that You have done  
I will bless Your holy name

I will bless Your name  
Hallelujah  
Thank You Jesus  
Lord we love You  
No one before You

I will bless Your holy name
