It's All Good

Fantasia

The things you told me
I had me open
I gave you something
I gave nobody else
Led me to believe
You had just what I need
Now I see it's game
Guy been dragging my name
You put on a show
(Show)
Kept the music slow
(Slow)
Got all up in my ear
(Ear)
Saying things that I love to hear
Tears came to my eyes
(Eyes)
But I'm not gonna cry
(Cry)
Everything that you ever said
Turned out to be all lies
But it's all good
(It's all good)
Didn't care that you broke my heart
It's all good
(It's all good)
Let you have you hit and run
But it's all good
(It's all good)
You mistake my love for fun
Boy, you played the part just to get to my heart
Let me hurt but it's all good
It's all good
(It's all good)
Didn't care that you broke my heart
It's all good
(It's all good)
I let you have you hit and run
But it's all good

(It's all good)
You mistake my love for fun
Boy, you played the part just to get to my heart
Let me hurt but it's all good
You had her in my car
(Car)
Like she was the star
(Star)
Promised I would be
(Be)
If I satisfied all your needs
I feel like a fool
(Fool)
'Cause I trusted you
(You)
Did what I didn't wanna do
(Do)
Just 'cause you wanted me to
I gave you my, soul and my, just don't know why
Couldn't I recognize, you were about lies
All my girls out there
(There)
Just 'cause he says he cares
(Care)
You can't believe everything that he spits in your ear
But it's all good
(It's all good)
But you didn't care that you broke my heart
But it's all good
(It's all good)
I let you have you hit and run
But it's all good
(It's all good)
Hey, you played my love for fun
Boy, you played the part just to get to my heart
It may hurt but it's all good
(It's all good)
You didn't care that you broke my heart
It's all good
(It's all good)
Took my love for fun
But it's all good
(It's all good)
Hey, I let you have you hit and run
Boy, you played the part just to get my heart

But it hurts, it hurt, baby
To all of my girls that have been hurt
Brush the dirt off 'cause it's all good
To all of my girls that have been hurt
Throw your hands up girl, it's all good
To all of my girls that have been hurt
Brush the dirt off 'cause it's all good
To all of my girls that have been hurt
Throw your hands up girl, it's all good
(It's all good)
Shouldn't let you break my heart
But it's all
(It's all good)
Should've known it from the start
But it's all good
(It's all good)
Boy, you played around with my heart
You just played the part to get my heart
It may hurt but it hurts, it hurts
But it's all good
(It's all good)
You played with my heart
But it's all good
(It's all good)
See Fantasia's from the hood
But it's all good
(It's all good)
(Heart, my heart, it's all good)
To all of my girls that have been hurt
Brush the dirt off 'cause it's all good
To all of my girls that have been hurt
Throw your hands up girl, it's all good
To all of my girls that have been hurt
Brush the dirt off 'cause it's all good
To all of my girls that have been hurt
Throw your hands up girl, it's all good
