Welcome To Hollywood

Jim Verraros

I brought a vision of dreams like everyone else here
I saw it on TV and thought it was a mirror
Car's brighter than skylines, billboard's brighter than streetlights
Something like a movie screen, not as deep as it seems
Welcome to Hollywood
Town of fears and dreams
You better make an impression
Or start packing your things
Welcome to Hollywood
Where nothing is what it seems
Welcome to Hollywood
Welcome to Hollywood
Make up and cover up all your insecurities
Forget to remember beauty's only skin deep
Lights, camera act impressed, you should've left with the rest
A little fix, some little tricks, sometimes just to get a kick
Welcome to Hollywood
Town of fears and dreams
You better make an impression
Or start packing your things
Welcome to Hollywood
Where nothing is what it seems
Welcome to Hollywood
Welcome to Hollywood
It ain't easy, it ain't easy
You got to work hard to look good
It ain't easy, it ain't easy
To be background tonight
It ain't easy, it ain't easy
Outspoken words are understood
Outspoken fools are doing good
You'll be back baby if you could
Yeah, yeah
Welcome to Hollywood
Yeah, yeah
Welcome to Hollywood
Yeah, yeah
Welcome to Hollywood
Yeah, oh

Welcome to Hollywood
Town of fears and dreams
You better make an impression
Or start packing your things
Welcome to Hollywood
Where nothing is what it seems
Welcome to Hollywood
Welcome to Hollywood
Welcome to Hollywood
Town of fears and dreams
You better make an impression
Or start packing your things
Welcome to Hollywood
Where nothing is what it seems
Welcome to Hollywood
Welcome to Hollywood
It ain't easy, it ain't easy
You got to work hard to look good
It ain't easy, it ain't easy
To be background tonight
It ain't easy, it ain't easy
Outspoken words are understood
Outspoken fools are too ain't good
Welcome to Hollywood
