

People (Dialogue) [Live]

Barbra Streisand

People

People who need people
Are the luckiest people in the world
We're children, needing other children
And yet letting a grown-up pride
Hide all the need inside
Acting more like children than children
Lovers, very special people
They're the luckiest people in the world
With one person
One very special person
A feeling deep in your soul
Says you were half now you're whole
No more hunger and thirst
But first be a person who needs people
People who need people
Are the luckiest people in the world
With one person, one very special person
A feeling deep in your soul
Says you were half now you're whole
No more hunger and thirst
But first be a person who needs people
People who need people
Are the luckiest people in the world
