Victim Of The Paranoid

Six Feet Under

I can't take it anymore
Got me hiding from myself
They put me away long ago
Another P.O.W.Lost my mind now twenty years
Let it slip, not too far gone
Can't go on another day
Freedom in this day and ageIt's all just a fucking game
I'm not the criminal
I'm not the one to hate
Thrown away into the voidA victim of the paranoid
Victim of the paranoid, a victim of the paranoid
Victim of the paranoid, a victim of the paranoid
I feel like I'm living in another dimensionMisled minds keep on spreading confusion
Kill, kill, kill, I want to kill them all
And put an end to their fascist laws
Open, open your mindVictim of the paranoid, a victim of the paranoid
Victim of the paranoid, a victim of the paranoid
It seems like such a waste of time
We all can't be this fucking blindAs I sit and wonder why
One more mind is locked inside
