

# American Oxygen

## X Ambassadors

[Chorus]

Breathe out, breathe in  
American oxygen, whoa  
Every breath I breathe  
Chasin' this American Dream  
We sweat for a nickel and a dime  
Turn it into an empire, whoa  
Breathe in this feeling  
American, American oxygen[Refrain]  
American oxygen  
Breathe in this feeling  
American, American oxygen[Verse 1]  
Outside looking in  
Starin' at the great wide open  
Young girl, hustlin' on the other side of the ocean  
She can be anything at all in America, America

I say, can't see

Just close your eyes and breathe[Chorus]

Breathe out, breathe in  
American oxygen, whoa  
Every breath I breathe  
Chasin' this American Dream  
We sweat for a nickel and a dime  
Turn it into an empire, whoa  
Breathe in this feeling  
American, American oxygen[Refrain]  
American oxygen  
Breathe in, this feeling  
American, American oxygen  
American oxygen  
Breathe in, this feeling  
American, American oxygen[Verse 2]

Bright lights glistenin'

Looking at the world from a distance  
A young boy grindin', tryna get the wheels in motion  
But he can be anything at all, America, America

I say, can't see

Just close your eyes and breathe[Chorus]

Breathe out, breathe in

American oxygen, whoa  
Every breath I breathe  
Chasin' this American Dream  
We sweat for a nickel and a dime  
Turn it into an empire, whoa  
Breathe in this feeling  
American, American oxygen[Bridge]  
This is the new America  
We are the new America  
This is the new America  
We are the new America[Chorus]  
Breathe out, breathe in  
American oxygen, whoa  
Every breath I breathe  
Chasin' this American Dream  
We sweat for a nickel and a dime  
Turn it into an empire, whoa  
Breathe in this feeling  
American, American oxygen[Refrain]  
American oxygen, whoa  
Breathe in, this feeling  
American, American oxygen  
American oxygen, whoa  
Breathe in, this feeling  
American, American oxygen[Outro]  
This is the new America  
We are the new America  
This is the new America  
We are the new America
