

# Man Overboard!

## House of Large Sizes

We receive and are thankful  
For these gifts delivered to us  
We receive and are thankful  
But so unsatisfied  
Now!  
Left, right and then back again  
The time is clearly now  
I'm still moving quickly  
I sleep by thinking how  
I think of that movie  
"Seven Sheets To The Wind"  
Wind and unwind, my mind is fallin' down  
Man overboard! Man overboard!  
The time is clearly now  
I'll sacrifice you, throw you in the pit [4x]  
[repeat 1st verse]  
Now!
