Slide It In

Whitesnake

You talk too much
Never saying what's on your mind
It's written on your face
And in the words you hide behindI know what you want
I can see what you're looking for
I know what you want from me
And I'm gonna give you moreI'm gonna slide it in right to the top
Slide it in, I ain't never gonna stop
Slide it in right to the top
I'm gonna slide it in, slide it in, slide it in babySometimes you seem
Just like a stranger to me
But all the games you play
Make it so easy to seeYou're looking for love
Though you try to deny
The things you put me through
Tell me what I've got to do to youI'm gonna slide it in right to the top
Slide it in, I ain't never gonna stop
Slide it in right to the top
I'm gonna slide it in, slide itYou talk too much
Always treating me so unkind
I know what I've got to do
To get me some peace of mindI'm gonna slide it in right to the top
Slide it in, I ain't never gonna stop
Slide it in right to the top
I'm gonna slide it in, slide it inSlide it in right to the top
Slide it in, I ain't never gonna stop
Slide it in right to the top
I'm gonna slide it in, slide it in, slide it
Slide it in, slide it in
Right to the top, baby
