

# Waving My Dick in the Wind

Ween

I'm waving my dick in the wind, I'm waving my dick in the wind  
If it all goes right, I'll be in your arms tonight  
But I'm waving my dick in the wind I'm lost in the sauce once again, I'm lost in the sauce once again  
If I make it through the night, everything will be alright  
But I'm lost in the sauce once again It's been 97 days since I've laid my head beside you  
And a million miles of highway in between  
There's some red and blue lights that are shinin' right behind me  
And that pig's a pretty mean bastard You should have seen old Jimmy Wilson dance  
You should have seen old Jimmy Wilson dance  
Give that boy a dime and you could a chance  
To see old Jimmy Wilson dance Dance Jimmy  
I'm doin' the best I can there, deaner that's it  
You know I can't really dance like I used to, I mean I try  
But I'm an old, old man now I've got a real good feelin' bout' old Jimmy Wilson  
Sho' nuff' he's got what it takes  
Do another number for me please won't ya Jimmy  
'Cause you're a really good dancer Ooh yeah, help me now I'm waving my dick in the wind, waving my dick in  
the wind  
If it all goes right, I'll be in your arms tonight  
But I'm waving my dick in the wind  
Waving my dick in the wind, I'm waving my dick in the wind
