This is more than joy for me

To feel like a family

And when we go our separate ways

This feeling will always stay

chorus

Look how long we've been around each other
And we've finally found a chance to get together
Look at all the times we've seen each other
It feels so good to be together

(look at all the times we've had babe)

Look how long we've been around each other
And we've finally found the chance to get together
(ohhh sing it Coko)

Coko:

If you take a listen deeply, deeply
You can hear the pride in my voice yeah, ohhhhhhh
It's nothing hard to see that
I'm happy about the way we came to beeee, beeee

If I ever get the chance (ohhhhh)
Again I'll know that
We make sweet music

Together ohhhhhhhhhhhhhhhhh

Look how long we've been around each other
And we've finally found a chance to get together
Look at all the times we've seen each other
It feels so good to be together
Look how long we've been around each other
And we've finally found a chance to get together
Look at all the times we've seen each other
It feels so good to be together

Keith Sweat:

Tell me precious
We must have meant it
Especially when we're often apart
(We're always apart yeah)

Missy "Misdemeanor" Elliott:

Maybe when you see
(See me)

See me looking proud (so proud baby)

I'm only thinking of me and you ohhhhhhhhh

bridge (Keith Sweat, Missy and Faith Evans)

Me and you, oooooooooo (me and you baby)

(I'm only thinking of) me and you oooooooooo

(Thinking of me and you ohhhhhhh)

Look at the times we've been together

Now I have finally got the chance to be, should be should be

Look at the times we've been apart

Though I have never had the chance to meet you

chorus (till fade)

Look how long we've been around each other

And we've finally found a chance to get together

Look at all the times we've seen each other

It feels so good to be together
