Lipstick

Rocket from the Crypt

She don't wear makeup
Only red lipstick
(Only red lipstick)
And she looks so fine
'Cuz she is so fine
('Cuz she is so fine)She looks up, never down
No matter how I felt I feel better now
She looks left, she looks right
Now I got my stain and I got my stain
And she knows how to wear it rightLipstick on my face, yeah, I don't wanna wipe it off
Lipstick on my face, yeah, I don't wanna wash it offShe don't like make up
(She don't like makeup)
Only red lipstick
(Only red lipstick)
And she looks so fine
(And she looks so fine)
'Cuz she's only mine
(Cuz she's only mine)
And she knows how to wear it rightLipstick on my face, yeah, I don't wanna wipe it off
Lipstick on my face, yeah, I don't wanna wash it off
Lipstick on my face, yeah, I don't wanna wipe it off
Lipstick on my face, yeah, I don't wanna wash it offShe don't wear makeup
(She don't wear makeup)
Only red lipstick
(Well only red lipstick)
She don't wear makeup
(She don't wear makeup)
Only red lipstick
(Well only red lipstick)
She don't wear makeup
(She don't wear makeup)
Only red lipstick
(Well only red lipstick)And she knows how to wear it right
Yeah, she knows how to wear it right, yeah, yeahLipstick on my face, yeah, I don't wanna wipe it off
Lipstick on my face, yeah, I don't wanna wash it off
Lipstick on my face, yeah, I don't wanna wipe it off
Lipstick on my face, yeah, I don't wanna wash itLipstick on my face, yeah, I don't wanna wipe it off
Lipstick on my face, yeah, I don't wanna wash it off
