

# Valentine Stones

## Duran Duran

Down here with the strays and the damaged  
All stood in a line  
This recovery, so they tell me, is one day at a time  
And you think you can help me maybe  
You can turn on your heels and save me  
But I don't want to be like the boys that you keep in tow  
Like your valentine stones, stones, stones  
Your valentine stones  
All roads lead from my resurrection, to your sympathy  
An empty space which spoils your collection, that was  
meant for me  
And you say you can help me maybe  
You can turn on your charms to save me  
But I don't want to be just a toy that you keep at home  
Like your valentine stones, stones, stones  
Your valentine stones  
Lost--souls--diamonds and gold  
Gold-cold-valentine stones  
Lost-souls-diamonds and gold  
Gold-cold-valentine stones  
And you think you can help me maybe  
You can turn on your heels and save me  
But I don't wanna be like the boys that you keep in tow  
Like your valentine stones  
Souls-diamonds and gold  
Gold-cold-valentine stones  
Lost-souls-diamonds and gold  
Gold-cold-valentine stones  
(diamonds and gold)  
(valentine stones)
