

# Magic Tree

Kirsten Price

Bring it back to the middle, and round again  
Whip it up, shake it down and slide it back on in  
Oh right, oh right  
Knocking on hard wood like I know you should  
You'll be shakin on the kitchen floor  
Cookin up your TV dinner  
Sunday afternoon sinner  
Turn it off, switch it on Can I get an angel up in here?  
I'm cryin Save me!  
Hanging on the back of the b hole??  
the soles of my feet hit the ground Fallin from the Magic Tree  
You know you got me on the run from the enemy  
I want more, more, more  
I want more, more, more  
You know that my parachute is failing me  
You know you got me on the run from the enemy  
Come on, rescue me. Set me free and rescue me  
There's a walk on, walk on Gotta 411 for some information  
Won't someone tell me please what I got to do to ease this fascination  
I've been climbing up a brick of wall 1000 feet tall  
Just pull me over to the other side  
Not another TV dinner  
Sunday afternoon sinner  
Tell me who's taking who for a ride Can I get a 1-2 (can I get a ride)  
Can I get a witness  
Can I get a 3-4 (yeah) Fallin from the Magic Tree  
You know you got me on the run from the enemy  
I want more, more, more  
I want more, more, more  
You know that my parachute is failing me  
You know you got me on the run from the enemy  
Come on, rescue me. Sexy...I want more  
Mmm...yeah Can I get an angel up in here?  
I'm cryin.... Fallin from the Magic Tree  
You know you got me on the run from the enemy  
I want more, more, more  
I want more, more, more  
You know that my parachute is failing me  
You know you got me on the run from the enemy

Come on, rescue, rescue, rescue me.  
Come on set me free and rescue me
