

Edema Ruh (Instrumental)

Nightwish

One by one we light the candles of the show
One by one entered a theatre of the primal birth
Silently watch the planetary curtain go down
Laugh and rejoice as the powerful play greets you tonight We are the Edema Ruh -
We know the songs the sirens sang
See us dream every tale true
The verse we leave with you will take you home We'll give you a key to open all of the gates
We'll show you a sea of starlight to drown all your cares
Mirror houses, the sweetest kisses and wines
The Debussy dialogue between wind and the roaring sea We are the Edema Ruh -
We know the songs the sirens sang
See us dream every tale true
The verse we leave with you will take you home Dance to the whistle, to the play, to the story
To infinite encores
Laugh at the royalty with sad crowns
And repeat the chorus once more We are the Edema Ruh -
We know the songs the sirens sang
See us dream every tale true
The verse we leave with you will take you home We are the Edema Ruh -
We know the songs the sirens sang
See us dream every tale true
The verse we leave with you will take you home
