

# Monkey Man

[Amy Winehouse](#)

Aye aye aye, aye aye aye  
Huggin' up the big monkey man  
Aye aye aye, aye aye aye  
Huggin' up the big monkey man I never saw you, i only heard of you  
Huggin' up the big monkey man  
I never saw you, i only heard of you  
Huggin' up the big monkey man It's your lie, it's your lie  
Huggin' up the big monkey man  
It's your lie, it's your lie  
Huggin' up the big monkey man Now i know that, now i understand  
Huggin' up the big monkey man  
Now i know that, now i understand  
Huggin' up the big monkey man La la la la la la  
Huggin' up the big monkey man  
La la la la la la  
Huggin' up the big monkey man Aye aye aye, aye aye aye  
Huggin' up the big monkey man  
Aye aye aye, aye aye aye  
Huggin' up the big monkey man I never saw you, i only heard of you  
Huggin' up the big monkey man  
I never saw you, i only heard of you  
Huggin' up the big monkey man It's your lie, it's your lie  
Huggin' up the big monkey man  
It's your lie, it's your lie  
Huggin' up the big monkey man Now i know that, now i understand  
Huggin' up the big monkey man  
Now i know that, now i understand  
Huggin' up the big monkey man La la la la la la  
Huggin' up the big monkey man  
La la la la la la  
Huggin' up the big monkey man
