I'll Be There For You

Bon Jovi

I guess this time you're really leaving I heard your suitcase say goodbye And as my broken heart lies bleeding You say true love is suicide You say you've cried a thousand rivers And now you're swimming for the shore You left me drowning in my tears And you won't save me anymoreNow I'm praying to God You'll give me one more chanceI'll be there for you These five words I swear to you When you breathe I want to be the air for you I'll be there for youI'd live and I'd die for you I'd steal the sun from the sky for you Words can't say what a love can do I'll be there for youI know you know we've had some good times Now they have their own hiding place I can promise you tomorrow But I can't buy back yesterdayBaby you know my hands are dirty I wanted to be your valentine I'll be the water if you get thirsty, baby When you get drunk, I'll be the wineI'll be there for you These five words I swear to you When you breathe I want to be the air for you I'll be there for youI'd live and I'd die for you I'd steal the sun from the sky for you Words can't say what a love can do I'll be there for youI wasn't there when you were happy I wasn't there when you were down I didn't mean to miss your birthday, baby I wish I'd seen you blow those candles outI'll be there for you These five words I swear to you When you breathe I want to be the air for you I'll be there for youI'd live and I'd die for you I'd steal the sun from the sky for you Words can't say what a love can do I'll be there for you
