

Partido Feminista

Madonna

Evita Peron, Partido Feminista
Evita Peron, Partido Feminista
Evita Peron, Partido Feminista Peron is everything, he is the soul, the nerve
The hope and the reality of the Argentine people
We all know that there is only one man in our movement
With his own source of light
We all feed from his light, and that is Peron Evita Peron, Partido Feminista
Evita Peron, Partido Feminista
Evita Peron, Partido Feminista And now she wants to be Vice-President
