

Save It for Later

Harvey Danger

Two dozen other dirty lovers
Must be a sucker for it
Cry Cry but I don't need my mother
Just hold my hand while I come
To a decision on this Sooner or later your legs give way and hit the ground
Save it for later don't run away and let me down
Sooner or later ya hit the deck, you'll get found out
Save it for later don't run away run away and let me down
Don't run away run away and let me down
Don't run away run away Black aarons seven sea's a rotten fruit
But what can you do?
I don't know how I meant to act with all you lot
Sometimes I don't try I just da da dadadadadadada... Sooner or later your legs give way and hit the ground
Save it for later don't run away and let me down
Sooner or later ya hit the deck, you'll get found out
Save it for later don't run away run away and let me down
Don't run away run away and let me down
Don't run away run away Two dozen other stupid reasons
Why we should suffer for this
Don't bother trying to explain them
Just hold my hand while I come
To a decision on it Sooner or later your legs give way and hit the ground
Save it for later don't run away and let me down
Sooner or later ya hit the deck, you'll get found out
Save it for later don't run away run away and let me down
Don't run away run away and let me down
Don't run away run away run away run away run away run away run away run away. Save it for later
Save it for later
Save it for later
Save it for later
Save it for later Save it for later
Save it for later
Save it for later
Save it for later
Save it for later
Save it for later
