

We Did It (Skit)

Slaughterhouse

Yeah

We did it.

We did it.

We did it.

We did it.

We did it.

Yeah

Hate to sound like a broken record, but

We did it.

What else we gonna do, huh?

What else we gonna do but hustle, rhyme

Oh man.

We in a position where we gotta succeed

By any means neccessary.

Failure is not an option.

Cause if you do fail,

It's back to the drawing board
