

# If You Need Me

**Fats Domino**

If you need me, call my name  
I'll come a running like a choo choo train  
Always love you, always feel the same You told me a lie  
You made, made me cry  
I'll always love you 'till the day I die I'm going far away  
And I'm going, going to stay  
If you don't see me no more, meet me on Judgment Day But if you need me, call my name  
I'll come a running like a choo choo train  
Always love you, always feel the same
