

More to This

Third Day

People get ready
For something like you've never seen Open up your eyes
Open up your heart
Open up your arms
And let the Spirit of the Savior set you free Ooh, yeah, you ain't seen nothing yet
Well, all the rumors are true
I don't know about you
But I know, there's more to this People, here it is
Just what we've all been waitin' for Open up your eyes
Open up your heart
Open up your arms
Let the Spirit of the Savior set you free Ooh, yeah, you ain't seen nothing yet
Well, all the rumors are true
I don't know about you
But I know, there's more to this Oh no, oh no, it doesn't all end here
Don't think this is the end
I will tell you again
That I know, there's more to this There's more to life
Than being born and dying
There's more to life
Than slowly growing old If we are wise
We'll keep our eyes on Jesus
Or miss out on the very thing that
God has made us for Ooh, yeah yeah, you ain't seen nothing yet
All the rumors are true
I don't know about you
But I know, there's more to this Oh no, oh oh, it doesn't all end here
I don't think this is the end
I will tell you again
That I know, there's more to this, there's more to this
