This is Dr. Trevis comin' to you live
In this motherfucker, Keith Murray, L.O.D.
From the city niggaz Keith Murray's still comin' from the north, south, east, west
Obsessed with my success will make me crack your treasure chest
Hot tales of terror slip from my lip clearer
Slip up, the L.O.D. will be behind you in the mirror I make MC's that go from regular size to fantasize realize
My Squad can be categorized, I think the devil's in this beat
Fuck you with my speech, makin' me do his dirty work

Don't make me have to come lookin' for you
So, see what I'm sayin' and watch your mouth
'Cause my motherfuckin' Squad hit the streets like a blackout What is exactly real? What is represent?
I see MC's down and get in my last hits

Bring crew agony in virtual reality
First I puzzle your brain like The Riddler
Then I catch you in the gut like Jack the Ripper I'm the hot mustard dipper, money getter
Mic gripper, wack MC get rid of nigga
I take it to the extreme and overkill like Dramamine
Y'all niggaz is sweet like jellybeans Plus, I knew your punk ass was soft

All ya'll bummin' niggaz will get done in I got defly breath control with [incomprehensible]
With sick vocabulary makin' MC's nervous
Boy I'll do you plenty but which MC is in my category?
If any, not many See you thought like Nellie, now you shit like jelly
After the surgeon is finished stitchin' up that belly
Niggaz want to get ill, I'll take it to stainless steel
And show 'em how it feel You laughin' at Keith? You're cryin' at yourself
'Cause beef with Keith is bad for your health
Them bitch ass niggaz tried to catch me for myself
I licked nine shots and jetted off in the Stealth Call my name and I'll come runnin', gunnin'
