

# Loveeeeeee Song (feat. Future)

## Rihanna

Ain't nothin' wrong with it I don't wanna give you the wrong impression  
I need love and affection  
And I hope I'm not sounding too desperate  
I need love and affection  
Love, love, love, love and affection  
Love, love, L-O-V-E-E-E and affection Oh baby, I'm not asking for the world, maybe  
You can give me what I want  
Baby, come hold me tight and when I'm drowning save me  
Give it to me on a daily If I'm your girl say my name boy  
Let me know I'm in control  
We both grown so how we feel we can let it show  
I I I, won't play around  
I I I, I wanna lay you down  
I I I, I need you now, I need you now  
Oh oh I don't wanna give you the wrong impression  
I need love and affection  
And I hope I'm not sounding too desperate  
I need love and affection  
Love, love, love, love and affection  
Love, love, L-O-V-E-E-E and affection Boy lately, you've been stingy with your time  
Got me wondering, I'm wondering if I'm on your mind  
Boy I just wanna be in your possession  
You say I'm the one you want so come express it Don't slip, don't slip  
'Cause a nigga might push up on it  
Don't really wanna lose this moment  
Why window shop when you own this?  
I I I don't put it down  
I I I don't fuck around  
I I I want you now, I want you now, oh oh whoah I don't wanna give you the wrong impression  
I need love and affection  
And I hope I'm not sounding too desperate  
I need love and affection  
Love, love, love, love and affection  
Love, love, L-O-V-E-E-E and affection Can you love me for poor (let me know)?  
I'm searching for my soul  
Whoever turned you cold (beat this)  
You need to let 'em know  
I can work miracles (what's up?)  
I work it physical (physical)

And when I love you close,  
You can feel my heart beating thru my clothesFutureI don't wanna give you the wrong impression  
I need love and affection  
And I hope I'm not sounding too desperate  
I need love and affection  
Love, love, love, love and affection  
Love, love, L-O-V-E-E-E and affection
