Blue Glass Man

Sense Field

Blue glass man paints his world
Blue glass man paints his world
Today and it may appear he has nothing profound to say
It may appear that he chooses to be clearBlue glass man paints his world blue
Blue glass man paints his world
Today and it may appear he has nothing profound to say
It may appear that he chooses to be dear today
It may appear he has nothing profound to say
It may appear that he chooses to be dear
