

# Endless Sleep

## Shakin' Stevens

The night was dark, rain fallin' down  
Looked for my baby, he's nowhere around  
I traced his footsteps down to the shore  
Afraid he's gone forever more  
I looked at the sea and it seemed to say  
I took your baby from you away  
I heard a voice cryin' in the deep  
"Come join your baby in my endless sleep"  
Why did we quarrel? Why did we fight?  
Why did I leave him alone tonight?  
That's why his footsteps ran to the sea  
That's why my baby is gone from me  
I looked at the sea and it seemed to say  
I took your baby from you away  
I heard a voice cryin' in the deep  
"Come join your baby in my endless sleep"  
Ran in the water, heart full of fear  
There in the breakers, I saw him near  
Reached for my baby, held him to me  
Stole him away from the endless sleep  
I looked at the sea and it seemed to say  
"You took your baby from me away"  
My heart cried out, "He's mine to keep"  
I saved my baby from that endless sleep  
I saved my baby from that endless sleep  
I saved my baby from that endless sleep
