Taranda

Loise Kim

Ruta wira uria waheirwo-ii,
Na urutage wina kiio,
Na umenyage twakinya iguru,
Niukorio uria wanaruta,

Niukaneana taranda iyo,
Urorwo kana wanarutithia wira,
Wakorwo nduri warutithia,
Umenye hatiri igai.

Ngai niahete o-mundu wira,
Mwega wakuruta thii-ino,
Ndukanegwatie ati ndukiri,
Tondu mawira ni maingi.

Niukaneana taranda iyo,
Urorwo kana wanarutithia wira,
Wakorwo nduri warutithia,
Umenye hatiri igai.

Mundu uria mugi akaga,
Nyumba na moko meri,
Na kio kirimu githaruragia,
Nyumba na moko meri.

Niukaneana taranda iyo,
Urorwo kana wanarutithia wira,
Wakorwo nduri warutithia,
Umenye hatiri igai.

Anake nama mwina wira,
Airitu ma mwina wira,
Athuri onginya atumia,
Ona twana twa rukenge.

Niukaneana taranda iyo,
Urorwo kana wanarutithia wira,
Wakorwo nduri warutithia,
Umenye hatiri igai.

Mawira ni mithemba miingi,
Mega ona nginya moru,
Wimenyerere ugicagura,
Wira uria wina umithio

Niukaneana taranda iyo,
Urorwo kana wanarutithia wira,
Wakorwo nduri warutithia,
Umenye hatiri igai.

Geragia maundu kaingi-ii,
Wihokage thithino yaku,
Undu uria mundu ananogera,
Ngwire niakenagio niguo.

Niukaneana taranda iyo,
Urorwo kana wanarutithia wira,
Wakorwo nduri warutithia,
Umenye hatiri igai.
