

# Dallas

## Jimmie Dale Gilmore

Did you ever see Dallas from a DC-9 at night?

Well Dallas is a jewel, oh yeah, Dallas is a beautiful sight.

And Dallas is a jungle but Dallas gives a beautiful light.

Did you ever see Dallas from a DC-9 at night? Well, Dallas is a woman who will walk on you when you're down.

But when you are up, she's the kind you want to take around.

But Dallas ain't a woman to help you get your feet on the ground.

Yes Dallas is a woman who will walk on you when you're down. Well, I came into Dallas with the bright lights on my mind,

But I came into Dallas with a Dollar and a dime. Dallas is a rich man with a death wish in his eye.

A steel and concrete soul with a warm hearted love disguise.

A rich man who tends to believe in his own lies.

Dallas is a rich man with a death wish in his eyes.
