We're Gonna Drop The Atom Bomb

Turbonegro

Mr Oslo, Mr Oslo
How did you get so far?
Just a D. I. L. F and a retardMr Oslo, Mr Oslo
Sucking your fancy cigar
Stolen from ContiguaYou irritate us, man
But that's beside the fact
We're gonna drop something
And we don't want it backWe're gonna drop the atom bomb
We're gonna burn your city down
Another day is over and the sun is goneBut it won't be gone for long
'Cause we're gonna drop the atom bomb
Atom bomb, atom bomb, the atom bombOslo woman, Oslo woman
How do you get your kicks
Playing with various dicks?Oslo woman, Oslo woman
How did you get so dumb
Sucking on various thumbs?You're so high culture
You think you're so fucking hot
You see the circling vultures
And look at what we gotWe're gonna drop the atom bomb
We're gonna kill your happy home
Another day is over and the sun is goneBut it won't be gone for long
'Cause we're gonna drop the atom bomb
Atom bomb, atom bomb, the atom bombBurn your eye, we cock it from the sky
Burn your eye, we cock it from the sky
Atom bomb
