

The Way You Love Me

Keri Hilson & Rick Ross

I'm swaggin', I'm swaggin', I'm swaggin', I'm swaggin', go
I'm swaggin', I'm swaggin', I'm swaggin', I'm swaggin', go
I'm swaggin', I'm swaggin', I'm swaggin', I'm swaggin', go
I'm swaggin', I'm swaggin', I'm swaggin', I'm swaggin' Boy, love me, love me, it's the way you love me
Touch me, touch me, it's the way you touch me
Fuck me, fuck me, it's the way you fuck me
The way you love me, baby, you got me goin' crazy The way you love me, baby, you got me goin' crazy
The way you love me, baby, you got me goin' crazy
The way you love me, baby, you got me goin' crazy
You got me goin' crazy, you got me goin' crazy, aw Ooh, ah, baby, don't stop
You know how I like it, daddy, when you hit the spot
Ooh, ah, baby, don't stop
I'mma take control when I climb up on top
I can take that shit, boy, switch your position
Yeah, you do it hard baby, like you on a mission
Now I do it Superman, love, or addiction
Baby, you can count down, renew your prescription Yeah, it's me, that's where you wanna be
I got that kinda lovin' that'll keep you off the streets
Yeah, it's me, that's where you wanna be
The way you love me, way you love me, fuck me Yeah, it's me, that's where you wanna be
I got that kinda pussy that'll keep you off the streets
Yeah, it's me, that's where you wanna be
The way you love me, way you love me, fuck me Love me, love me, it's the way you love me
Touch me, touch me, it's the way you touch me
Fuck me, fuck me, it's the way you fuck me
The way you love me, baby, you got me goin' crazy
The way you love me, baby, you got me goin' crazy
The way you love me, baby, you got me goin' crazy
The way you love me, baby, you got me goin' crazy
You got me goin' crazy, you got me goin' crazy, aw Boy, I got that magic raise, your wand I'll be your wiz
I know your ex's Ms wasn't hittin' like this
Do me gentle, don't be rough until I say so
You know I will be grippin' tighter than your bankroll They say I'm the best, they're the best, now you want me
in the worst way
Ooey, it's so juicy, boy, I hope you come first place
So good I make ya think my bed is my workplace
You can't overwork me, baby, don't hurt me, yeah Yeah, it's me, that's where you wanna be
I got that kinda lovin' that'll keep you off the streets
Yeah, it's me, that's where you wanna be

The way you love me, way you love me, fuck me Yeah, it's me, that's where you wanna be
I got that kinda pussy that'll keep you off the streets
Yeah, it's me, that's where you wanna be
The way you love me, way you love me, fuck me Love me, love me, it's the way you love me
Touch me, touch me, it's the way you touch me
Fuck me, fuck me, it's the way you fuck me
The way you love me, baby, you got me goin' crazy The way you love me, baby, you got me goin' crazy
The way you love me, baby, you got me goin' crazy
The way you love me, baby, you got me goin' crazy
You got me goin' crazy, you got me goin' crazy, aw Love me, love me, it's the way you love me
Touch me, touch me, it's the way you touch me

The way you love me, baby, you got me goin' crazy The way you love me, baby, you got me goin' crazy
The way you love me, baby, you got me goin' crazy
The way you love me, baby, you got me goin' crazy
You got me goin' crazy, you got me goin' crazy, aw I'm swaggin', I'm swaggin'
