

Bad Boys (2018 Remaster)

Whitesnake

I know you, you know me
I'm the black sheep of the family
I'm in an' out of trouble
I'm the talk of the town
I get wild in the street
When the sun goes down I steal around like a thief in the night
Dancing till the break of day Bad boys
Running undercover of moonlight
Bad, bad boys
Getting wild in the street
Wild in the city
I see you, you see me
Just a black street boy in society
With high-heeled women
Full of champagne an' lies
Getting wild in the street
Till the hot sunrise Stealing 'round like a thief in the night
Dancing till the break of day Bad boys
Running undercover of moonlight
Bad, bad boys
Getting wild in the street
Wild in the city
Wild in the city
Wild in the city
Bad, bad boys
Running undercover of moonlight
Bad, bad boys
Getting wild in the street
Wild in the city I know you, you know me
I'm the black sheep of the family
I'm in an' out of trouble
I'm the talk of the town
I get wild in the street
When the sun goes down I don't care what the people think
I can't hear what the people say
I steal around like a thief in the night
Dancing till the break of day Bad, bad boys
Running undercover of moonlight
Bad, bad boys

Getting wild in the streetBad, bad, bad boys

Running undercover of moonlight

Bad, bad boys

Getting wild in the street

Wild in the cityUndercover of the moonlight

Undercover of the moonlight

Undercover of the moonlight

Bad, bad boys
