

Youngbloods (feat. Ahren Stringer)

Illy

[Verse 1: Illy]

Now, I would never claim to have the answers
Shit, I failed as many tests as I advanced in
But I rised above
Hear the fuckin' war
Simba to the lion cubs
I'm that Iron Man
Swingin' tiger blood
Beasts repeat 'till the last straws snap
Whatcha' think, a fuckin' fortune just falls in your lap?
Nah

We bring it like Freedom Fighters to the tanks
If they back up we go act right back like
Rebels with a cause
Weather in a storm
Devil on the shoulder
Heaven's at the door, so
Knock, knock
My generation's sure
You can judge it by the words or the level of applause
I ain't the only one
The real show's to come

We all waitin' for our shot, loaded gun
Spark a fire in our eyes then we run amok
There's one love for my fuckin' youngbloods' life [Chorus: Ahren Stringer of The Amity Affliction]

Youngbloods, run free forever
Forget the death that's ever nearer
Youngbloods, young hearts alike
Let the fires burn inside your eyes
We won't give up these memories
We won't go near those cemeteries
Youngbloods, young hearts alike
Let the fires burn inside your eyes [Verse 2: Illy]

Yeah, we light it up like a firework in flight
In with the new before the bust
And that bullshit they pushin' you to buy ain't worth the price
So we say, "Fuck you, we doin' this for us!"
Get it done while they "um" and "ah"
("Um" and "ah") "Till they come apart

This shit's strictly for the young and the young at heart
Who in the building, fuckin' guest list, the cover charge
We doin' it big while we here for the ones that aren't
A lot of people tell you what you're mean to do
But only one can decide on what's best for you: You
Me? I'm just tryin' to get the message through
It goes like, "Save the drama, spend your youth." Truth
To the sky and beyond, with the vow that I'm holding
Young mind with a song
Gettin' face on to the world cause it only comes once
One love to my fuckin' youngbloods' life[Chorus: Ahren Stringer of The Amity Affliction]
Youngbloods, run free forever
Forget the death that's ever nearer
Youngbloods, young hearts alike
Let the fires burn inside your eyes
We won't give up these memories
We won't go near those cemeteries
Youngbloods, young hearts alike
Let the fires burn inside your eyes[Bridge: Illy]
Now let me hear you say,
"Woah oh, woah oh, woah oh, oh, oh"
Now let me hear you say-ay,
"Woah oh, woah oh, woah oh, oh, oh"
Now let me hear you say,
"Woah oh, woah oh, woah oh, oh, oh"
Now, there's nothing but love for my youngbloods' lives
Four, three, two, go![Chorus: Ahren Stringer of The Amity Affliction]
Youngbloods, run free forever
Forget the death that's ever nearer
Youngbloods, young hearts alike
Let the fires burn inside your eyes
We won't give up these memories
We won't go near those cemeteries
Youngbloods, young hearts alike
Let the fires burn inside your eyes
