

# Slip It In

## Black Flag

Hey mama. Come on, come on.

Come on, come on. This is it.

I don't know.

I kinda got a boyfriend.

No, no. This is happening. This is the time, now. Uh, oh, ok!

Alright, come on, go, go...

You're loose

(Slip it in)

Put your brain in a noose

(Slip it in)

(Slip it in)

The next day you regret it

But, you're still loose You say you don't want it

You don't want it

Say you don't want it

Then you slip it on in In, in, in You feel like a whore

(Slip it in)

But what you did the night before

You decided to be all loose

(Slip it in)

(Slip it in)

And go all crazy

You say you don't want it You don't want it

Say you don't want it

But then you slip it on in In, yeah You slip it in [x2] You say you didn't think

(Slip it in)

You said you had too much to drink

(Slip it in)

Is it in the chemical?

(Slip it in)

Or is it just some part of you? You say you don't want it

You don't want it

Say you don't want it

But then you slip it on in In, in, in You regret how you felt

(Slip it in)

You felt it

(Slip it in)

You decided to be all loose

(Slip it in)

It's what you choose You say you don't want it  
You don't want it  
Say you don't want it  
But then you slip it on in  
You slip it in [x2] Alright! Hey! Hey! You say you got a boyfriend  
But you're hinting at my friends  
(Slip it in)  
(Slip it in)  
And everybody else's friend  
(Slip it in)  
You're not loose, you're wide open You don't want it  
And you say you don't want it  
Say you don't want it  
Then you slip it on in You're getting around  
In, in, in  
I'm not putting it down  
(Slip it in)  
(Slip it in)  
It's just what it is  
Getting it while it's around  
(Slip it in) You say you don't want it  
You don't want it  
You don't want it  
But then you slip it on in In, in, in  
You slip it in [x2] Mount up!
