Give It To Me

Stray Cats

Give it to me, give it to me
Oh, give it to me, I'm gonna give it to you
Give it to me, oh, give your love to me
Give it to me, I'm gonna give it to youThere's no such thing as love for jealous fools
And I'm the biggest fool, I think I oughta know
Now you've got a brand new set of rules I can't play by
And all of a sudden everyone else knows everythingOh, give it to me, give it to me
Why don't you give it to me, I'm gonna give it to you
Give it to me, oh, give your love to me, give it to me
I'm gonna give it to youA love so hot, it burns to touch
A love so hot, you're too much to hold onto
By the way that's a cute smile you've got
I can't believe I'm not laying next to you tonight, yeahGive it to me, give it to me
Oh, give it to me, I'm gonna give it to you
Give it to me, oh, give your love to me
Give it to me, I'm gonna give it to you, alrightOh, give it to me, give it to me
Why don't you give it to me, I'm gonna give it to you
Give it to me, oh, give your love to me
Give it to me, I'm gonna give it to youHurry up, come out and see the stars tonight
They're spelling out your name in violet shades of white
When your name appears, they say there's no way you can turn away
Don't turn away from me tonightGive it to me, give it to me
Why don't you give it to me, I'm gonna give it to you
Give it to me, oh, give your love to me
Give it to me, I'm gonna give it to youGive it to me, give it to me
Why don't you give it to me, I'm gonna give it to you
Give it to me, oh, give your love to me
Give it to me, I'm gonna give it to youThree, four
