Stuck in the Middle With You

Stealers Wheel

Well, I don't know why I came here tonight
I got the feeling that something ain't right
I'm so scared in case I fall off my chair
And I'm wondering how I'll get down those stairsClowns to left of me
Jokers to the right
Here I am, stuck in the middle with youYes, I'm stuck in the middle with you
And I'm wondering what it is I should do
It's so hard to keep this smile from my face
Losing control, yeah I'm all over the placeClowns to left of me
Jokers to the right
Here I am, stuck in the middle with youWell, you started off with nothing
And you're proud that you're a self-made man
And your friends they all come crawling
Slap you on the back and say:
"Please!"
"Please!"Trying to make some sense of it all
But I can see it makes no sense at all
Is it cool to go to sleep on the floor?
'Cuz I don't think that I can take any moreClowns to left of me
Jokers to the right
Here I am, stuck in the middle with youWell, you started off with nothing
And you're proud that you're a self-made man
And your family all come crawling
Slap you on the back and say:
"Please!"
"Please!"Well, I don't know why I came here tonight
I got the feeling that something ain't right
I'm so scared in case I fall off my chair
And I'm wondering how I'll get down those stairsClowns to left of me
Jokers to the right
Here I am, stuck in the middle with you
Yes I'm stuck in the middle with you
Stuck in the middle with you
Here I am, stuck in the middle with you...
