

# I Can Love

## Creative Adult

I can love  
I love the ocean  
I love to look around when colors are strange  
I love night  
I love walking by myself when no one else is around  
I love light  
Always reflecting off the buildings at the end of the day  
I love when the wind is blowing  
I never understood what difference it makes  
Push/Pull/Restrict/Require  
I can love alone in silence  
I let my mind wander for hours at times  
Yes I love the hazy sequence  
I recognize it as a sweet reverie  
I can love the fleeting moments  
I get to revisit whenever I want  
I can love  
It makes you nervous because it isn't how you want me portrayed  
Push/Pull/Restrict/Require  
Toss/Turn/Analyze/Abandon  
I can love
