

# Fire In My Heart

## Simple Plan

I betcha didn't know you started up a chain reaction.

I saw no intention on your face.

It must have been some kind of chemical attraction.

I felt a spark. It left a mark I can't erase. (I can't erase)It's like... (oh, oh)

Something like a bolt of lightning

(Oh, oh) Is going on inside.'Cause I'm burning up. It ain't no joke.

And all my cells are going rogue.

Caught up in a place with no way out.

And it's my self-control goes up in smoke.

One more hit, I get so stoked that I -

I'm glowing in the dark.

You lit a fire in my heart. (Fire in my heart) (2x)It was kicking that beat, steady in my body (in my body),

'Til you pumped it up with gasoline.

You struck a match and, just like that, you got me.

Now I'm the brightest firework you've ever seen.It's like... (oh, oh)

No, there's no need to run for water.

(Oh, oh) Don't ever put me out.'Cause I'm burning up. It ain't no joke.

And all my cells are going rogue.

Caught up in a place with no way out.

(Caught up in a place with no way out)

And it's my self-control goes up in smoke.

One more hit, I get so stoked that I -

I'm glowing in the dark.

You lit a fire in my heart. (Fire in my heart) (2x)Oh, oh. So come and warm your hands around me.

Oh, oh. I will light you up tonight.Cause I'm burning up. It ain't no joke.

And all my cells are going rogue.

Caught up in a place with no way out.

(Caught up in a place with no way out)

And it's my self-control goes up in smoke.

One more hit, I get so stoked that I -

I'm glowing in the dark.

You lit a fire in my heart!Cause I'm burning up it ain't no joke,

And all my cells are going rogue.

Caught up in a place with no way out.

And it's my self-control goes up smoke.

One more hit, I get so stoked that I -

I'm glowing in the dark.

You lit a fire in my heart. (Fire in my heart) (3x)
