

# You've Changed

Marvin Gaye

Baby we both know  
The things have really changed between us You've changed  
That sparkle in your eyes is gone  
Your smile is just a careless yawn  
It's all over now, you've changed You've changed  
Your kisses now are so blase  
You're bored with me in every way  
You're breaking my heart you've changed You've forgotten the words I love you  
Each memory that we've shared  
You ignore every star above you  
I can't realize that you ever cared You've changed  
You're not the angels I once knew  
No need to tell me that we're through  
It's all over now, you've changed You've forgotten the words I love you  
Each memory that we've shared  
You ignore every star above you  
I can't realize you ever cared You've changed  
That sparkle in your eyes is gone  
Your smile is just a careless yawn  
It's all over now, you've changed  
Yes it's over now, you've changed  
(Now it's over, you've changed) It's over baby
