

Anything For Love

Cobra Starship

Tell my friends I'm done, I'm not comin' back.
Wanna fall in love, want another chance.
Fortune fame and gold, yeah I got quite the life,
But I'd trade it all, do anything for love, anything for love.
 'Cause it's all I need, all I need
 All I need, all I need
 All I need, all I need
 A-a-alll
 And it's all I need, all I need
 All I need, all I need
 All I need, all I need
 A-a-alll
 Anything for love.
Tell me what it costs, tell me what's the price.
 I wanna fall in love, want to sacrifice.
 It's all become so dull,
 And I don't wanna play anymore,
'Cause the only thing I want, is anything for love,
 Anything for love.
 'Cause it's all I need, all I need (all I need)
 All I need, all I need (all I need)
 All I need, all I need (all I need)
 A-a-alll
 And it's all I need, all I need (all I need)
 All I need, all I need (all I need)
 All I need, all I need (all I need)
 A-a-alll
 Anything for love, do anything for love.

Any day now, any day,
Love comin', love comin' back,
 Oh I now it's comin'
Any day now, any day,
Love comin', love comin' back,
 Oh I know.

Everyday I wake up and all my boys
There's a chance to make it right, all right
 Do anything for love
 Do anything for love

Everyday I wake up and all my boys
There's a chance to make it right, all right
Do anything for love
So tell my friends I'm gone (anything for love)
I'm not comin' back (anything for love)
I wanna fall in love, I want another chance (anything for love)
They tell me that you don't care anymore, and I don't, no I don't don't believe them.
'Cause I just can't give up, do anything for love, anything for love.
'Cause it's all I need, all I need (ahh)
All I need, all I need (ahh)
All I need, all I need (ahh)
A-a-alll
All I need, all I need (ahh)
All I need, all I need (ahh)
All I need, all I need (ahh)
A-a-alll
Anything for love, do anything for love.
Anything for love.
